Description

Jeep Renegade 1.0 T3 GSE Night Eagle II 5dr The Jeep Renegade 1. 0 T3 GSE Night Eagle II offers a compelling mix of performance and style, making it an attractive choice for those seeking a reliable and versatile vehicle. Powered by a petrol engine with manual transmission, this model ensures a responsive and enjoyable driving experience. The inclusion of features such as lane departure warning and cruise control enhances safety and convenience, providing peace of mind on every journey. The Renegade's stylish exterior is highlighted by its sleek black paint and distinctive gloss black elements. The body colour roof and door handles, coupled with gloss black grille rings and badges, create a cohesive and modern appearance. The addition of tinted privacy glass and black lower side door cladding adds a touch of sophistication, while the roof rails and MIC roof rack provide practical options for transporting additional luggage or equipment. Inside, the Renegade is equipped with a host of amenities designed to enhance comfort and connectivity. Dual zone automatic air conditioning and cloth upholstery provide a comfortable

environment, while the 8. 4" touchscreen with Apple CarPlay and Android Auto integration keeps you connected and entertained. Safety features are comprehensive, with front and side airbags, electronic stability control, and a tyre pressure monitoring system ensuring a secure drive. With its thoughtful design and advanced features, the Jeep Renegade is well-suited for both urban commutes and rural adventures. At John Barr Cars, we pride ourselves on the presentation of both new and used cars. - Every vehicle is prepared to the highest of standards. - We ensure that all mechanical and electrical components are without fault or excessive wear. - A full and comprehensive service is carried out on all used cars where required. - A professional valet is completed prior to sale ensuring your new car looks as good as it drives. - A minimum of 6 months Comprehensive Warranty is provided with all cars. - All work is carried out on site by our team of qualified and manufacturer trained technicians utilising the latest diagnostic equipment. Why not check out our Facebook and Google reviews for honest customer feedback.
